

HUMAN RESOURCE MANAGEMENT

COURSE TRAINING BROCHURE

KNOWLEDGE FOUNTAIN
LEADERSHIP ACADEMY

PURPOSE OF KFLA

At knowledge Fountain we believe nothing is so important as leadership, and we also know that nothing can happen in the world without it because it determines what happens in the future. That is why knowledge Fountain's core values of leadership is added because we know the role of leadership in national development and personal development. Knowledge Fountain leadership Academy is a sector designed to turn people to transformational leaders in every sphere of life through our teaching methodology and simplification of

principles. This institution is dedicated on developing individual character, integrity, goal setting and purpose. The aforementioned attributes will make them transformational leaders. The academy will also provide mentorship and coaching services to government officials, private organisations and individuals.

To produce quality leaders with personal integrity, strong character, principle-centered and spiritually grounded Vision to develop a formal, systematic program for training a committed group of individuals in personal development with the intent of imparting wisdom, understanding and knowledge to produce a character of integrity, responsibility, vision and leadership.

To produce quality leaders with personal integrity, strong character, principle-centered and spiritually grounded Vision to develop a formal, systematic program for training a

committed group of individuals in personal development with the intent of imparting wisdom, understanding and knowledge to produce a character of integrity, responsibility, vision and leadership.

COURSE DESCRIPTION

This program provides you with the salient skills necessary to enter the field of Human Resource Management. Graduates will be able to perform entry-level functions in the human resources department of any organization or business. The heart of any organization is its human resources. Any organization that is rich in every other resource but poor in human resources will eventually wind up. The quality of every organization is a reflection of the quality of its human resources.

This HR Management training is tailored towards imparting global HR Management best practices on participants. The training brings to the classroom real life scenarios, Contemporary HR management templates, tools and techniques that help participants to easily apply such in any field of endeavor. The training is conducted in line with the ACIPM/ PHRi/SPHRi curriculum and thus adequately prepares participants for the Human Resources Role
